Dear Public Service Commission,

Recently I applied for a Class C Non-Emergency Certificate and received a letter from your office with stipulations to comply by August 14, 2019. Because of on-going negotiations with insurance holders, I am requesting additional time to comply with the noted stipulations. The name of my company is Renee Non-Emergency Transport, LLC. I can be reached both via e-mail bdees737@yahoo.com and telephone: 803-446-2346. Thank you in advance for your consideration

Kind regards,

Deirdre Brown
